

## Goodnight Library Addition and Renovation

Owner: Goodnight Library Board  
Location: Franklin, KY  
Architect: Pearson Peters Associates  
Building Area: 32,939  
Construction Cost: \$ 6,725,000  
Project Status: Completed 2020

**Project Description:** Renovation and addition to library including a renovation to auditorium.

### Engineering Highlights:

Project included a complete phased renovation of this multiuse facility. Project included ADA upgrades throughout including new restrooms and entryway to the auditorium.

Fire suppression deleted the use of a fire pump by extending new water line to downtown water main.

State of the art stage dimming and video/sound systems were installed with a monitoring control room constructed under the balcony.
